# The ELEPHANT

“We want to be the best pub for miles around with the best coffees, cocktails, brews and fresh, locally sourced, produce. All served in a warm, inviting and friendly atmosphere.

So fall into winter at The Elephant, where we're taking inspiration from all things autumnal. As the Woolton nights get colder, our winter warmers truly come into their own. So get snug and tuck into our brand new dishes.”

All the best,  
Simon Rimmer
